CHORAL CLUB PRESENTED IN SPRING CONCERT.

Mrs. George Brush, director, the Hondo High School Choral Club and several guest artists successfully presented a delightful program of music, known as the annual Spring Concert, Monday evening, April 3rd, in the high school auditorium.

The Choral Club's selections were happy ones, the songs being sweet, light and charming, and especially appropriate for the Spring season. Following the Salutation, two lovely numbers, "Valley of Roses" by Hayden Wood, and "Howdy-Do, Miss Springtime" by Guion, were rendered by the Choral group.

Mrs. Roland Gaines, soprano, as guest artist delighted the listeners with her interpretation of Anna Case's "Song of the Robin" and "The Icicle" by Carolyn B. Wells.

The Choral Club followed with three charming, trippingly light melodies, Scott's "False Prophet", Prothro's "Shadow March", and the ever popular "Brown Bird Singing" by Hayden Wood.

The second guest singer, Mr. Russell Hildebrand, baritone, was presented in Irwin Cassell's "I Love Life", "Star-Eyes" by Jerey Spekes, and "Ol Man River" by Jerome Kern. His selections were enthusiastically received.

The beautiful, poetic "Trees", of Joyce Kilmer, with musical composition by Rahrbach, was one of the outstanding songs executed by the Choral Club. A selected group of singers in the Club was presented in "By the Bend of the River" by Hunstreet, and "Smilin' Thru", by Penn.

Miss Mary Louise Leap, San Antonio reader of note, gave a group of humorous sketches which greatly entertained the audience, and the young artist was frequently called for encores.

A musical skit, "In a Radio Studio", as an informal and delightful departure from the semi-classical nature of the program, had as its members: Mr. George Brush, as radio announcer and Bing Colombo, singer; Miss Allie Mae Wilson, pianist, who played the theme songs of the broadcast, accompanied the singers and played several popular piano selections; and the Firecrackers, composed of Misses Mary Ruth Wilson, Mary Emma Finger, Bernice Speece, Genevieve Brooks and Bernice Chancey, who harmonized in several popular songs, as the Loswell Brothers and Miss Sisters.

Preceding the final choruses by the Choral Club, Miss Leap gave an impromptu dance number to the accompaniment of "St. Louis Blues".

Concluding the program on a happy note, the Choral Club sang "Ode to St. Mary's" by Adams, and lastly, "Have a Smile for Every One You Meet".

Miss Florence Erush was accompanist.

The Choral Club has made wonderful progress since September 1932, when Mrs. Brush first lifted her baton as its director; and in time since, has been presented in radio programs, in concerts in San Antonio and has had several splendid programs locally. In addition to improved vocal training and execution, the girls have memorized twenty-one numbers, have learned better stage poise, and have made valuable additions to Hondo High School's Library of Music. There are twenty-six members of the Choral Club.

LADIES' BRIDGE CLUB.

Mrs. Ed. Convey was hostess of a charming bridge party last Thursday afternoon in honor of the Ladies' Bridge Club. Pink roses and bouquets were fragrant and lovely decorations used in the living room where two tables were arranged for playing.

Bridge prizes were awarded Mrs. O. H. Miller for high score and Mrs. O. B. Taylor for cut.

The hostess served a refreshing salad course with spiced tea.

The guests were Mesdames Kusenberger, O. H. Miller, L. E. Heath, O. B. Taylor, F. H. Schweers, Earl Starnes, Alice Reinhart, Horace Bradley, and the hostess, Mrs. Convey.

HONDO LUTHER LEAGUE.

The League held its monthly meeting Sunday night, April 2, 1933. Mr. Marvin Muennink led the Scripture reading, which was followed by a reading by Mr. Jack Hartung. The topic, "How do we know that the Bible is the Word of God?" was led by Mr. Arnold Mussman. Rev. Leibfarth then gave an interesting address.

Miss Hermina Nester will be leader of the topic, "How to use the Bible" at the May meeting, and Mr. Arnold Mussman will give the Scripture reading.

OLD PEOPLE CELEBRATE.

Mr. and Mrs. J. W. Miller, possibly the oldest married couple living in Medina County at this time, have celebrated two important events in their lives recently.

On the 25th of March they celebrated the 60th anniversary of their marriage and on Monday, April 3rd, Mrs. Miller celebrated her 79th birthday. Both are active and are enjoying comparatively good health.

The wedding anniversary was marked by the home-coming of four of the couple's married daughters, Mesdames O. L. Corey, J. P. Dilworth, W. H. Moore and Charles B. Brown and one son, J. J. Miller, all of San Antonio, and another son, N. G. Miller, of West Columbia. The couple have eleven grandchildren and four great-grandchildren.

Mr. and Mrs. Miller were married at Leesville in Gonzales County in 1873. After residing for some years at Seguin they came to Hondo as one of the town's earliest families and have resided here since.

They have the congratulations of a large circle of friends.

CHARGE FOR HELPING FARMERS APPLY FOR LOANS IS PROHIBITED.

Farmers who apply for loans this year from the \$90,000,000 fund authorized by Congress for crop production loans, should refuse to pay any fees for help in the preparation of their loan applications, it was declared by Myron F. Ward, Field Inspector of the Crop Production Loan Office, stationed at San Antonio, Texas.

The law as enacted by Congress this year specifically prohibits the charging of any fee for the preparation of the application. Mr. Ward explained, and provides for fine or imprisonment, or both, for any person found guilty of assessing such a charge. Notarial fees, however, are still necessary. Fees charged by the county recording official for recording the lien given as security for the loan, and for searching the records for prior liens, are being paid by the Crop Production Loan Office, Dallas, Texas.

Prospective borrowers need not write to Washington for application blanks and detailed information about loans, Mr. Ward said, but may get that material direct from the Crop Production Loan Committees in Hondo, D'Hanis and Devine, and should make application at once as all applications must be made before the last of April to receive consideration.

The application blank this year requires a statement of the amount of the loan desired, the number of acres for which seed and fertilizer are to be purchased, the amount desired for feed, and the amount desired for fuel and oil for tractors. The application also requires a statement of the amount of the loan which is to be used for making repairs or for the purchase of other supplies. The sum total of these several items must not exceed the maximum rates per acre specified in the regulations.

A legal description of the land on which the crops are to be planted is also required, together with a statement of the acreage of crops grown by the applicant in 1932, and the yields obtained. The applicant is required to file a statement of seed and feed on hand at the time of applying for a loan.

To obtain the loan, the application blank stipulates, the applicant must agree to use the money loaned only for the purchase of supplies necessary for crop production in 1933 on the land described. Prospective borrowers must also state that they have neither the means nor the credit with which to secure these production supplies, and that unless the loan is granted, they will be unable to farm in 1933.

Significant differences between the 1933 and 1932 regulations governing crop production loans are that this year the maximum permitted to any borrower is \$500, and that, to qualify for a loan, borrowers must agree to reduce their acreage of cash crops 50 per cent below their 1932 acreage, provided their farming operations are above a specified minimum. As in 1932, a first lien on the 1933 crop is required. Loans are to be paid on or before October 31, 1933. The regulations make it unlawful for any person to dispose of or assist in disposing of any crops given as security for any crop loan, except for the account of the Secretary of Agriculture and provide for fine and imprisonment for violation of such requirement. The regulations require each borrower to agree to plant a garden for home use and to plant sufficient acreage to provide necessary livestock feed.

NUECES PEACE OFFICER DEAD.

Sheriff James W. Galbreath, 60, of Nueces county, well known Southwest Texas peace officer for more than a quarter of a century, died Wednesday afternoon at the home of his son, Ira J. Galbreath, 108 East White avenue, here.

Sheriff Galbreath came to San Antonio a week ago to visit, and was stricken with a heart attack. He was elected sheriff of Nueces county last November, and his home was at Corpus Christi. Sheriff Galbreath was chief deputy sheriff of Bexar county, under the late John W. Tobin for several years. He resigned that position 15 years ago, and moved to Ronstown, where he was city marshal until he was elected sheriff.

He was reared in Medina County, and was constable of Castroville before he was appointed chief deputy of Bexar county, members of the present sheriff's office recalled in 1919 Galbreath was placed in charge of an oil field near the Texas-Oklahoma border, while there was a boundary dispute, it was recalled.

He ran against Sheriff Ben D. Lee, of Nueces county, and defeated him in the primary election last summer. He took office January 1.

Members of the family here conferred Thursday concerning funeral arrangements. It had not been decided whether burial would be here or at Corpus Christi.

Sheriff Galbreath is survived by his widow, Mrs. Fannie Galbreath, of Corpus Christi; two sons, J. B. and Ira J., both of San Antonio; three daughters, Mrs. H. E. Sinclair, San Antonio; Mrs. E. H. Jenkins, of Corpus Christi, and Miss Myrtle Galbreath of Corpus Christi; three brothers, W. J. Galbreath, of Wharton; George and Frank Galbreath of Austin; a sister, Mrs. Bessie Sibley, of Dallas, and 10 grandchildren.—San Antonio Light.

The funeral was held in San Antonio Friday, interment being made in the Mission Burial Park. Several friends from here attended.

ST. PAUL'S LUTHERAN CHURCH.

"Not by works of righteousness which we have done, but according to His mercy He saved us, by the washing of regeneration, and renewing of the Holy Ghost, which He shed on us abundantly through Jesus Christ our Savior." Titus 3, 5-6. God has one way to save sinners. Read up on this and see for yourself.

No Other Atonement—"Through His Blood." Heb. 9, 12 and 18.

No Other Saving Power—"The Gospel is the power of God unto salvation." Rom. 1, 16.

No Other Gospel—"If any man preacheth any other Gospel, let him be anathema." Gal. 1, 8-9.

Services in Holy Week.

Our last mid-week service will be held on Wednesday night, April 12, at 8 P. M., when the last Word of Christ on the Cross will be the subject: "Father, into Thy hands I commend My Spirit."

The Good Friday service will begin at 10 o'clock and be held in the German language. Holy Communion will be offered at this service, Palm Sunday worship in German, 10:30.

QUIHI NOTES.

And to give his life a ransom for many. Math. 20: 28.

Sin may be an old-fashioned term, grating on modern ears, but it stands for a universal fact, for an undeniable condition. Criminal records, court dockets, prisons, asylums, hospitals, dissensions and feuds, tear-stained and furrowed faces, and a little introspection furnish ample evidence. Likewise for the wrath of God. To deny, forget or excuse it or shifting responsibility on other shoulders will not restore peace or conscience. Can you blot it out with new attempts of better living under new resolutions? Experience says no. Search where you will, He of our text offers the only way of rescue: Thou must save, and Thou alone.

Our Lenten services were quite well attended, many coming great distances. It is a time-accepted custom of our church to focus our meditations and attention on the last stages of the life of our Savior, and the cause of it all, in these services, and it must be a barren heart where not a little gratitude is blooming these days. These services will come to a conclusion on Good Friday, April 14th, with a final Lenten service at 10:30 A. M. at Quihi. No service on the previous Wednesday. The Lord's Supper will be celebrated, Confessional service at 10:15 A. M. Please announce your intention.

Announcements for Sunday, April 9th:

English service at 10:30 A. M. German service at New Fountain, 2 P. M. Sunday School and Bible class at 9:30 A. M. Luther League Program at 8 P. M. Come and welcome!

AN APPRECIATION.

We wish to express our appreciation to the Hondo Fire Department and all others who assisted in saving our haystacks from fire last Friday.

SCOUTING IN HONDO.

IS YOUR BOY A SCOUT? If not, why? Are you, or is he the reason? Do you mind his participation in an organized program for the development of the youth into a worthwhile citizen? Do you object to his playing with other boys under wholesome environment? Do you feel that outdoor life is harmful to his health? Do you think that his studying to "BE PREPARED" to meet life's varied situations will make your boy more efficient and enable him to more fully enjoy living?

DO YOU KNOW WHAT SCOUTING IS? Is it just a hiking club? A play program? a religious organization? a study society? a military system? a social group? or a well rounded organization for the building of higher social, moral, and physical standards?

Parents, answer these questions. Study your boy. Study Scouting. Compare them; and see if the scouting program is not the thing that your child needs. The Boy Scouts of America have maintained a successful activity over a long period of years. True, it has failed in some places at times. Has the fault been with Scouting, the directors in the locality, or you, because you have not co-operated to your fullest extent? The scoutmaster, the troop committee, and the boys are largely responsible for the success of the troop; yet if public spirit and interest are lacking, their program cannot succeed. We are aware of the splendid support of this community in the past, and plead for the continuation of that help in the future.

The Scouts of Hondo lack much of reaching their possibilities. A special drive is being inaugurated to enlist more boys, and to do it through impressing the parents with the merits of Scouting. Hondo has excellent physical surroundings. The Scout Hall is a very adequate meeting place. Numerous camping places are available. Opportunities for nature study are on every hand. We do need to build within both the troop and the community a keener appreciation of the prestige of Scouting and a stricter adherence to its principles. To do this, we need the help of the parents and citizens of Hondo.

In order to let the public know what we are doing, the Boy Scouts are to give a barbecue on Thursday night, April 13, in King's pasture, across from the negro school. All fathers of boys of scout age and men interested in promoting more activity are urged to attend. Together with the eats, the boys will have a campfire program presenting various phases of Scouting. Fathers, do not disappoint your boy. Come with him and see what he is doing.

Mr. H. B. Palmer will be with us to help make the barbecue a success. He will help us to get straightened out on some problems that have hindered our progress.

The cost of being a Scout is very small. The registration fee is fifty cents, and dues are ten cents per month. Boys are encouraged to earn the money for themselves. Due to financial conditions, uniforms are not required at present. Several new boys are to be taken in soon. Others should join soon so as to be eligible to go on hikes that are planned for the near future.

MARCH AND COLBERT IN COLO-NIAL FILM.

A rumor started it—Run on the bank! Frenzied thousands swept by one mad desire to get their money—nothing could stop them—no word—no plea—no reason. It grew—like a seed in fertile soil—sprouting calamity on a thousand idle tongues until it reached proportions of great enormity and came perilously near bringing destruction into the lives of thousands. Such is the situation that presents itself in "American Madness", the Columbia picture coming to the Colonial Theatre on Saturday and Sunday, with Walter Huston, Pat O'Brien, Constance Cummings, Kay Johnson and Gavin Gordon. It proves in a strikingly dramatic manner how thoroughly malicious and dangerous rumor can be and how it can mow down lives—fortunes—and souls of people with a destructive fury that is tremendous.

Claudette Colbert and Fredric March are co-starred in "Tonight Is Ours", screen adaptation of the romantic play by Noel Coward, which opens at the Colonial Theatre next Thursday and Friday. Miss Colbert is cast as a girl who has thrown aside the responsibilities of a kingdom for a fling at Paris, and March as a young, wealthy Parisian who insists on taking the fling with her. Together they race gayly through the French capital, fully enjoying the pleasures of the town, but more fully enjoying each other. A strange trick of the fates almost upsets their lives, but a surprising climax sets everything to rights. Alison Skipworth, veteran stage actress who has scored brilliant success in character roles, heads the supporting cast. Others in featured roles are Arthur Byron and Paul Cavanaugh.

WOMEN: watch your BOWELS

What should women do to keep their bowels moving freely? A doctor should know the answer. That is why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles.

It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other harmless ingredients.

When you've a sick headache, can't eat, are bilious or sluggish; and at the times when you are most apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles), and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!

The Mission of School

Some people think that the mission of school is to fit them to dodge hard work as a rule; And when they have won the badge of a scholar The never should work without a white collar. But school, we have found, is the very best place To fit you for work in winning life's race. And whenever it comes to making the dollars You better not draw color line on the collars. The Hondo State Bank has found any false view You take of yourself is a hindrance to you.

The trustee election passed off quietly with very little interest shown. Messrs. Richard Reily and Henry Merriman were reelected locally. The result of the race between Mr. W. L. Dubose and Mr. P. S. Keller will not be definitely known until the Commissioners Court canvasses the votes Monday. In Hondo, however, Mr. Dubose received 21 votes and Mr. Keller 5.

Earl Boon, local cattleman, shipped a car load of fat steers to Los Angeles, California, Wednesday of this week. The car was accompanied by Shorty Holloway as caretaker. These steers were a Medina County product, having been fed by Mr. Boon on Medina County feeds.

Plenty of home grown feed saves cash, helps the living-at-home program, and makes possible larger livestock profits. Last year 12,674 men and boys cooperated with county agents in growing 189,858 acres of feed crops by demonstration methods from which they received for labor and investment an average of \$70 apiece.

Fire of unknown origin destroyed a large haystack out on Dr. W. H. Smith's Townview Dairy Farm at an early hour Friday night of last week. Fortunately early discovery of the fire, stillness of the wind and the prompt response of the Hondo Volunteer Fire Department prevented spread of the flames to other property nearby.

Threatening clouds Tuesday afternoon were accompanied by only a light fall of rain, about .30 of an inch. The clouds cleared away with a norther and the weather has been uncomfortably cool since. The rain was light over this entire section for the most part, but the Yancey country is reported to have had better than two inches.

LOOKING FIVE YEARS AHEAD.

Our training does not merely fit young men and women for bookkeeping, stenographic, or typing positions. Our courses look far beyond that stage of business careers. They cultivate in every student a desire and an ambition to advance to positions of power and responsibility and to assist them in laying a foundation upon which to build such a career.

Most of our graduates start as stenographers, bookkeepers, secretaries, or accountants, but their training to do more important work soon wins promotion. We give them a training that fits them for executive and managerial responsibilities which is readily noticeable to their employers and as their employees know our reputation for developing future executive material they do not have to wait long for promotions. Byrne graduates are known the country over as outstanding business men and women in all lines of endeavor from United States Senator, Bank Presidents and Cashiers, Corporation heads, etc., on down to commercial positions.

Business these days is a profession or we might say, many professions, requiring specialized training. Merely learning the theory of shorthand or bookkeeping is not sufficient. You must be taught business methods. There are certain principles that must be instilled into the young person that cannot be learned from books. No other school in the South attempts to teach these broad principles of business; therefore, their students do not meet with such ready advancement and promotion to high places.

Voters should keep in mind that the selection of a Representative in Congress from our 15th Texas District will not be completed until the election of April 22nd is held. Every voter should cast his vote that day so as to make as large a showing as possible for the district. The prestige of a large vote of confidence behind him will strengthen Hon. Milton West's influence at Washington and place him at once in a position of service to his constituents and to all Texas. Voters, let's do our duty and vote April 22nd.

JULIUS STEIN.

The sad news reached us early Wednesday morning stating that Julius Stein, son of Mr. Jacob Stein died at his father's home at 9:30 P. M. Tuesday, March 28th, 1933, following an illness of but eight days duration, having had pneumonia and other complications.

Julius was born on April 27th, 1911 and therefore attained the age of 21 years and 11 months at the time of his untimely death.

He leaves surviving him besides his father, six brothers, Henry, Louis Woodrow and Alton of Cliff, Walter of Riomedina and Richard of Hondo, and three sisters, Mrs. Oscar Bippert of LaCoste and Misses Telma and Leoline Stein of Cliff. His mother having preceded him to the grave less than a year ago on April 8th, 1932.

His corpse was brought to St. Louis Church at Castroville at 9:30 A. M. where a Requiem High Mass was offered by Rev. Jacob Lenzen for the repose of the deceased's soul.

Following the services at church and a very touching sermon by Rev. Jacob Lenzen, his remains were carried to St. Louis Cemetery, where they were tenderly laid to rest. Rev. Jacob Lenzen performed the last sad rites. Interment was under the direction of Horger Undertaking Co. of Hondo.

Pall-bearers were Messrs. Harvey Stein, Allen Haby, Louis Bendele, Wm. and Arthur Lutz and Ralph Burell. Honorary pall-bearers were Misses Ethel Haby, Hazel Schuchart, Norma Wurzbach, Eva Tschirhart, Estel Haegelin and Alice Hoffman.

A large concourse of sorrowing relatives and friends attended the funeral, which shows the high esteem Mr. Stein, who was called from this world by our Creator at such an early age, held with all who knew him.

Our heartfelt sympathies, we extend to the grief-stricken father and brothers and sisters in this their hour of sorrow. May their departed son and brother rest in peace.

ANOTHER SHALLOW PRODUCER
IN CHICON LAKE FIELD.

One of two or three small rigs run-
ning in the Chicon Lake field, struck
oil at around 200 feet last week, and
it came over the top for a while,
promising something good. It was
drilled with the drop rig and has stop-
ped flowing now, we are told. The
strike is on Company lands, West
from the Whiteside farm, where
there are two shallow pumps. Big
gas was struck a year ago near this
place. Mr. Whiteside said his two
wells were producing around 100 bar-
rels a month, and he was selling it to
other drillers as fuel at 80 cents. The
field is about midway between the
Ina and Somerset fields and a dozen
or more shallow light producers have
been on pump, first last week. Reports
were current here last week that the
small refinery in the Ina field would
be started up again; possibly moved
to Devine where gravity flow would
bring the oil in a proposed pipe line.

MANAGER DUBOSE GETS COM-
MISSION AS SPECIAL RANGER.

With the endorsement of Sheriff
Schuchie of Medina County, Sheriff
Hanser of Bexar County, and Sheriff
McAda of Atascosa County, Manager
M. E. Dubose, of the Water Improve-
ment District 1, has been commission-
ed as a special, private State Ranger,
by Mrs. Miriam A. Ferguson. While
the commission grants greater au-
thority, he expects to use the same
only in connection with the affairs
of the district in the three counties
mentioned, as we understand it, in
connection with these sheriffs and
other peace officers.

Mrs. Robert Heath was hostess to
the Current Events Club on Wednes-
day afternoon, March 22, at her home
in Natalia. The spring theme was
carried out in the decoration and the
refreshment course; vari-colored
spring flowers were used effectively
about the spacious living room.

"Wonders of Switzerland" was the
subject, "Genevia and the League of
Nations" which was ably discussed.
Miss Jean Teel made very interesting
her subject, "Legends of the Rhine".
Grace Truman Riley, young guest of
the club, played Carl Hein's "La Gi-
tana", and for an encore she gave
"Will O' the Wisp". Both numbers
were much enjoyed by the members
of the club. Mrs. W. E. Bowles fol-
lowed on the program, giving "Lu-
cerne, the Tourist's Center of Swit-
zerland". Mrs. Allie Howard closed
the program with history of the
"Lion of Lucerne".

Miss Katherine Heath and Mrs.
Ollie Whiteside assisted Mrs. Heath
in serving her guests. The following
members were present: Mesdames W.
B. Adams, W. E. Bowles, T. A. Car-
ter, Allie Holmes, R. B. Teel, R. D.
Thompson, Alex. Thompson, R. E.
Wilkinson, Ella Reditt, Misses Minnie
Briscoe, Ida Garrett, Maude Loeving,
Jean Teel, Bessie Patterson, Marie
Stewart, Mary Beth Malone.

It Takes More Than Salts, Calomel, Mineral Waters, Oils, or Laxative Pills to Arouse a Sluggish Liver

They Give Only Temporary Relief From Constipation
and Biliousness, Because They Have No
Effect Whatever on the Liver or Its
Production of Bile

Bile is nature's own laxative and
your stomach and bowels require at
least one quart of fresh bile every
day to keep them clean, pure, free
from fermentation, putrefaction,
gas and disease germs.

When your liver becomes torpid
or sluggish the bile stagnates and
stops flowing freely. The contents
of your bowels become the breeding
place for germs and poisons; your
food does not digest—it just fer-
ments and decays in the bowels. The
blood absorbs these poisons and
you suffer from constipation,
gas, sick headaches, biliousness,
nervousness and sour stomach.

Sargon Soft Mass Pills will re-
move the cause of this condition
and purify your entire system in
nature's way. They are not like
any other medicine you have ever
taken. They are so gentle, thor-
ough and natural in their action
that there is nothing about them
to remind you that you have ever
taken a medicine, and most re-
markable of all you gradually re-
duce the dose until you no longer
require a laxative at all.

Five years ago it was generally
believed that calomel and laxative
drugs stimulated the liver, but
modern science has proved that
calomel, salts, mineral waters, oils
and other laxatives have no effect
whatever on the liver.

Sargon Soft Mass Pills act di-
rectly on the liver because they

contain two amazing substances
which highest medical authorities
agree are the only effective stimu-
lants to the bile-producing activity
of the liver known to modern
science. These substances stimu-
late and invigorate the liver to
cleanse and purify itself through
increasing its production of bile.
This fresh bile immediately starts
to work neutralizing acids and
poisons, stopping fermentation and
decay, cleansing and purifying the
bowels and sweeping out accu-
mulated poisons.

Unless you have tried Sargon
Soft Mass Pills you can have no
idea of the effects produced by this
natural cleansing of your liver and
bowels. It makes you feel years
younger, stronger, healthier and
happier. It brings back life and
color to faded eyes and cheeks, re-
stores the appetite and sound di-
gestion—gives you a new outlook
on life itself.

Insist on genuine Sargon Soft
Mass Pills. Don't be misled. There
are only two known substances
which will actually stimulate a
torpid or sluggish liver to cleanse
and purify itself by increasing its
production of bile. Sargon Soft
Mass Pills contain both of these
substances and no other advertised
medicine on the American market
today does contain them.
